PRINCIPAL'S DESK

Success is not an accident. It is all about an effective and dedicated teamwork. It is the result of our attitude and choice of decision. One cannot remain complacent, and attempt to spend life, basking in the glory of the past. Therefore our NIS focuses keenly on enhancing the potential of the children here and mould them to face the frequent changes and challenges courageously so they can become ideal and successful citizens of tomorrow.

Dear Parent

The choice of a school always makes a difference. NIS prioritizes mainly on the safety of the children and quality of education.
